Class News

This week we have been learning about shapes in Robin Class. Little Robins have been focusing on 2D shapes and the Big Robins focused on 3D. We looked carefully at the properties of each shape and sorted them in different ways. The children enjoyed being shape detectives where they had to identify and describe the shape that had gone missing! Well Done Robins!

Child Safety Warning to parents:

We would like to draw your attention to the highly inappropriate clips showing the creepy character Momo - described as having bulging eyes, a distorted wide mouth and the body of a bird. It encourages youngsters to hand over their mobile number and correspond with Momo, who sets them "challenges" involving self-harm and eventually suicide. Please monitor your child's internet activity as it was reported that the sinister game appeared in seemingly innocent videos like Peppa Pig.

Message Board

Parish Mass/Children's Liturgy:

Please visit www.stwulstan-southam.co.uk for details regarding church news, events and Mass details at our parish church of Our Lady & St Wulstan.

Message from the head teacher:

Next week Lent starts. This year we have decided that we would collect Bags2 Schools for fundraising. This will give our families the opportunity to have a good Spring Clear-out over the Easter holidays and the bags will be collected after the Easter break. In addition to raising much needed funds, it will also raise awareness amongst the children of the benefits of recycling and reuse.

The school council will then decide which charity this will benefit. Look out for bags – which will be sent home in the coming week.

I am delighted to say that all our toilets are now in full working order. The sinks, including taps are fully functioning.

World Book Day – 7th March:

We are looking forward to our World Book Day when we can all dress up again as our favourite book characters! Prizes will be given to the most creative costumes. Parents are encouraged to use charity shops and creative use of clothes at home.

School Website Upgrading:

We are pleased to inform you that we are in the process of updating our website. Huge appreciation goes to Mr. Forgan, who has generously donated his time and expertise implementing the change. Thank you in advance for your patience and understanding during the process.

School Closures:

In the event of an emergency school closure and with potential adverse weather conditions subscribing to the link below will ensure that you are notified if the school is closed. <https://www.warwickshire.gov.uk/schoolclosures>

Good Hand Hygiene:

We are sharing good health and hygiene practice in school would like to ask all parents consolidate good handwashing hygiene with your child.
