Class News

Last week the children in Goldfinch class went to visit the Heritage Centre in Tithe Place in Southam. We had a lovely time looking at the exhibits about the Fire Brigade when it first started. There were some amazing helmets, uniforms and equipment from the past. The children looked at the photographs and tried out the stirrup pump. They learned about how fires spread quickly and how they were dealt with in those days. Then they went to the library to choose books and listen to a story. They have typed a report, written recounts and made their own pictures, inspired by the wooden carvings on the sculpture seen outside the library. They had a brilliant time!

Message Board

Parish Mass/Children's Liturgy:

Please visit www.stwulstan-southam.co.uk for details regarding church news, events and Mass details at our parish church of Our Lady & St Wulstan.

Message from the head teacher:

We have had an exciting week which started with an assembly from the Mad Science Company which inspired the children. Science Club letters have been sent home with details.

This was followed by visitors from Galanos House who shared their real life stories from World War II. The Year 3/4 class asked intelligent questions and were enthralled by the answers. I am proud to say that our children were kind and respectful towards our visitors. Thank you to Mrs Forgan for facilitating this special event.

On Wednesday the whole school went outside together to have a photo taken under the Old Convent magnolia tree in full bloom. The photo will be appear on our website soon. Thank you to FOSM for providing the funds to fix the decking in our Secret Garden. We can now continue with Forest School.

Prayer Group Lenten Meetings:

The Prayer Group has been invited to attend 2 additional meetings during Lent; on Thursday 28th March at 8.00am at school, joined by members of staff for a time of prayer and reflection. Drinks and croissants will be served afterwards and the children will then return to class at 8.55am. Also on Friday 12th April at 10.30am - they will be visiting an elderly lady at her home near Southam College to say the Rosary with her. Letters with details have been sent home.

School Website Upgrading:

We are pleased to inform you that we are in the process of updating our website. Huge appreciation goes to Mr. Forgan, who has generously donated his time and expertise implementing the change. Thank you in advance for your patience and understanding during the process.

School Closures:

In the event of an emergency school closure and with potential adverse weather conditions subscribing to the link below will ensure that you are notified if the school is closed.
