Dear Parents and Carers,

KEY WORKER FAMILIES

Further to our previous letter and government identification of key workers. Please click on link for clarity: <https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>

Please could parents confirm with your employer if unsure and let the school know by 1pm TODAY if your child is eligible for a school place preferably by email admin3505@welearn365.com

If the non key partner is at home, children need to stay home wherever possible which is safest for them; we must not lose sight of the government's advice regarding social distancing. Only if you have nobody at home should you send your child to school, as we have limited care/teaching capacity.

Furthermore, we would ask all key workers to present certificates from their employer identifying them as key workers on Monday. Please be aware that our school will have a limited teaching capacity by Monday.

Thank you in advance for your cooperation during these difficult circumstances.

Yours sincerely,
Mrs Jane Price
