

### Our Lady & St Wulstan Children's Liturgy – please join us on-line!

The Children's Liturgy at our Church normally takes place alongside Mass on Sunday mornings but of course this has not been happening in recent weeks due to the pandemic. Our Church is now proposing to hold the Children's Liturgy online using Zoom. The Liturgy is a time of worship and fun for children of primary school age and usually involves a bible reading, songs, prayers and handicraft activities. The first on-line Liturgy will take place on Sunday 14th June at 10.15 - 10.45.

All children will be most welcome to attend even if you do not attend Church.

If you would like your child to take part please e mail Father Arul ([presbytery@stwulstan-southam.co.uk](mailto:presbytery@stwulstan-southam.co.uk)) as soon as possible and further details including log in instructions will be sent to you.

### SCHOOL UNIFORM

Please make sure your child wears clean clothes to school each day, even if that means that on occasions your child may have to wear a garment of non- school uniform. I also do not expect parents to buy new school shoes at this point in the year.

### Parish Mass/Children's Liturgy:

Please visit [www.stwulstan-southam.co.uk](http://www.stwulstan-southam.co.uk) for details regarding church news, events and Mass details at our parish church of Our Lady & St Wulstan.

1 June Re-opening the school to limited amount of year groups  
17 July End of Summer term 2020  
  
1 Sept /2 Sept Training days  
Term starts 3 Sept (Thursday)

### Google Classroom

Well done to all the children who have engaged well with Google Classroom during this extended time of home learning. Please continue to do so for the next 6 weeks. Teachers will be ringing to check you are not having any difficulties.

### Re-opening of the school

The re-opening of the school to Y1 and Y6 went well this week. The children spent time learning new routines such as; handwashing, social distancing and *'catch it-bin it-kill it'*

The children have worked in their bubbles which have included; Year 1, Year 6 and the Key worker/Disadvantaged bubble. All children have adjusted well and they have been well-behaved and helpful towards younger children. We have had to re-look at the Behaviour policy in the light of Coronavirus and this is now available on the school website for parents.

Into the future, the timetable for classes will be reviewed and may have to change. Next week we will be looking for ways to introduce Nursery in for some sessions with Year Reception on Thursday and Fridays. We will have to keep to Early Years ratios so we will have to observe numbers and the staffing available to us.

### Staffing

Sadly, we had to say goodbye to Mrs Hopkins who taught year 5 from January 2020. We loved having her with us and hope that she will come again in the new academic year.

Although I am sure, by now, many of you will know that Mrs Finch is having a baby in August, I am now telling you officially. We are delighted for her and wish her well.

Before the half term holiday, I was able to appoint Miss Maclean to cover maternity leave in EYFS. She will join us in the new academic year for the duration of the maternity leave.

### CORONAVIRUS SYMPTOMS

If an adult or child has symptoms of Covid 19 they should immediately go home and self- isolate for 7 days. If Covid 19 is confirmed the rest of their bubble must go home and isolate for 14 days. If we have no staff to lead that bubble then the children would have to go home if there was no leader.
