KYT
Alton Castle

...is coming to St Mary's Catholic Primary School!

Alton Castle Outreach

As you are aware, it has been decided that this term the Skylarks will not be able to visit Alton Castle, Staffordshire, for the Year 5/6 bi-annual residential retreat. However, instead, on **Friday 18 June 2021**, we are delighted to be able to welcome the skilful programme staff and energetic young team of KYT volunteers to St Mary's.

To further promote the children's personal, social and spiritual development, they will spend a full day working with the Skylarks class delivering a joyful, prayerful, lifegiving experience, either socially distanced in the school hall or, weather permitting, using our playground and school grounds in an innovative way. I really do hope that the sun will have its hat on!

Your child/ren will need:

- Waterproofs and appropriate clothing etc for the weather (e.g., warm clothes/sunscreen/hats etc).
- Spare clothing and shoes (at least one activity will be outside).
- Any medication they may need (inhalers etc)

Ahead of the day, we will talk to the children about this in class.

Cost for the day:

The cost for the day will be £17.50 per child please pay this and give consent via ParentPay.

Kind Regards
Ms McAloon
