

**KATHARINE
HOUSE
HOSPICE**

Make every moment matter

“We couldn’t believe how much money it takes to run the hospice every day. Our family would do anything to help the hospice.”

**It costs £9 a minute to run the hospice -
that’s just under £13,000 per day**

Your school will not only help to fund the clinical costs at the hospice, but also all the extra services that make it such a special place - from bereavement support to art therapies, from relaxation classes to the hospice food and so much more.

We know it has been a hugely challenging time for schools. Thank you from everyone at Katharine House Hospice for supporting the Schools Santa Run this year.

THANK YOU
