15<sup>th</sup> July 2022

Dear Parents and Carers,

The forecast is telling us that it is going to be hot, hot, hot next week. As you know we have relaxed the uniform for Monday and I am going to extend that for Tuesday too. So on these days children can wear their own cool clothing (no football or rugby kits), with a wide brimmed hat (if possible) and plenty of sun cream. Please send in extra drinks with the children to keep them cool and hydrated.

School is still mandatory on these days and we are going to keep the children inside during the hottest parts of the day, but give them lots of extra breaks. The Department of Education and Warwickshire County Council have issued advice and guidance, please see the links enclosed:

### For our Year Six Parents and Carers

We are currently trying to re-arrange the festival for later in the evening 5pm – 7pm (when it is slightly cooler) and we are awaiting confirmation regarding the inflatable equipment.

Please do not hesitate to contact us if you require and additional information or if you have any questions.

Yours sincerely,

Maureen Collier  
Headteacher
